This matter was opened to the State Board of Medical Examiners (the "Board") upon the filing of a Verified Complaint and an Order to Show Cause on April 2, 2007, with a return date of April 11, 2007. The Verified Complaint charges that Respondent Dr. Michael P. Stein's continuing practice of medicine presents a clear and imminent danger to the public. Respondent seeks an adjournment of the return date of the Order to Show Cause until the next Board meeting, presently scheduled for May 9, 2007, and hereby agrees to voluntarily surrender his license to practice medicine until the matter is heard, without prejudice, and without any admission of wrongdoing.
